LEGENDE DES CARTES DE TRAVAUX

CARTE GENERALE

Hydrographie

- cours d'eau étudié
- plan d'eau
- surface en eau (BD TOPO)
- réseau hydrographique (BD TOPO)

Végétation (BD TOPO)

- zone de végétation

Limite administrative

- commune
- parcellaire

Bâti (BD TOPO)

- bâti indifférencié
- bâti industriel
- cimetière
- terrain de sport

Voies de communication (BD TOPO)

- autoroute
- route principale
- route secondaire
- autre

Etat des lieux

- ouvrage
- limite de segment

Actions

- restauration légère
- restauration moyenne
- restauration lourde
- abattage de peupliers d'alignement
- pose de clôture
- abattage arbre instable
- abattage arbre mort
- aménagement d'abreuvoir
- aménagement frayère à brochet
- arbre dessouché à traiter
- déchets divers à retirer
- franchissement bovin
- indicateurs de suivi : Indice Abondance Truite
- indicateurs de suivi biologique : IBD, IBGN, IPR
- protection de source
- recépage
- retrait de clôture en travers
- retrait manuel arbre en travers
- retrait mécanique arbre en travers
- réfection ouvrage de franchissement
- traitement encombre

CARTE DE RESTAURATION MORPHOLOGIQUE DU LIT

Action

- recharge en granulats

CARTE DES TRAVAUX SUR OUVRAGE

Occupation du sol

- bois
- culture
- culture avec bande enherbée
- espace vert, jardin
- espace vert, jardin à berge protégée
- étang et bordures
- forêt et fourré alluvial
- friche humide
- friche, roncier
- lande humide
- peupleraie
- prairie
- prairie humide
- prairie humide de fond de vallée
- roselière, cariçaie
- tissu urbain, route
- voie de communication en berge
- zone inculte, remblais

Actions

- débusage du lit
- restauration du lit dans talweg naturel
- circulation piscicole petit ouvrage
- effacement ouvrage hydraulique
- effacement petit ouvrage
- étude complémentaire ouvrage
- remplacement d'ouvrage (pont, buse)
- retrait d'ouvrage de franchissement
- rétablissement de la continuité écologique
